Mr. Jeff S. Jordan
Supervisory Attorney
Central Enforcement Docket
Federal Election Commission
Washington, D.C. 20463

**Re: Termination of Tom Bruggere for U.S. Senate (FEC No.
C00312827)("Committee")**

Dear Mr. Jordan:

On January 31, 2000, the above-referenced Committee requested termination, including with respect to its obligations under the Federal Election Campaign Act. In response, on May 23, 2000, you wrote to inform the Committee that its termination request had been denied. You explained the reason for that denial to be an ongoing enforcement matter by the Commission; MUR 4516.

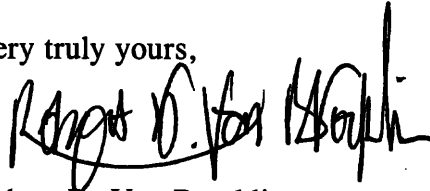

I have recently received a copy of your November 1, 2000 letter to Marc E. Elias, which states that the Commission has determined to take no action against the Committee pursuant to MUR 4516. Further, on October 25, 2000, the Commission closed its file on MUR 4516. Accordingly, we hereby re-submit our request for termination of the Committee. Please inform me as to what additional actions, if any, the Committee is required to take in order to terminate the Committee, including with respect to any further record keeping or reporting requirements. Please also inform me as to whether the records of the Committee which, other than its reports to the Commission, largely consist of documents produced in the course of the Committee's 1996 election campaign activities, may be destroyed.
